

# Cross-Border Group

## Breadth of skills

Our highly experienced and dedicated lawyers, auditors and tax advisors provide specialist restructuring and insolvency advice on a national and international scale, including

- Corporate recovery and finance
- Out of court restructuring
- Tax in insolvency
- Redundancy procedures
- Insolvency proceedings

## Our clients

- Shareholders and/or management retain our multi-disciplinary teams to advise on and implement restructuring concepts (within or outside of insolvency proceedings).
- Multinational banks and alternative investors seek our expertise to steer and negotiate out-of-court restructuring and financing arrangements.
- International investors rely on our assistance and advice in distressed M&A transactions.
- Trade and financial creditors hire us to pursue their claims in insolvency proceedings.
- Office holders from around the globe seek our help to recover assets and pursue claims in Germany.

## Cross-Border-Team

- Proven track record and considerable expertise in complex cross-border insolvency scenarios.
- Advising companies, insolvency administrators, creditors and investors on issues of German, European and international insolvency and business law.
- Creation and enforcement of security in crossborder insolvency proceedings.
- Guiding German stakeholders through foreign insolvencies.
- Significant experience in international restructuring cases relating to Great Britain, France, Italy and elsewhere in Europe, USA and Japan.
